Profile

Service-oriented IT Support Specialist with several years of experience in 1st and 2nd level support, structured troubleshooting and user assistance in enterprise environments. Hands-on experience with Windows systems, Active Directory, Microsoft 365 and user/access management including onboarding and offboarding processes. CCNA certified with solid networking knowledge (TCP/IP, DNS, DHCP) and a strong focus on reliable solutions, clear communication and stable IT operations.

Core Competencies

- **IT Support (1st/2nd Level) · Ticketing · SLA oriented**
- **Troubleshooting: Hardware · Software · Network**
- **User & Access Management (Active Directory)**
- **Microsoft 365 Support**
- **Windows 10/11 Administration**
- **Networking: TCP/IP · DNS · DHCP · VLAN · VPN**
- **Printers · Devices · End-user support**
- **PowerShell / Bash (basic automation)**

> Focus: reliable IT operations, fast problem resolution and clear documentation in international environments.
